

We Stand Behind Those Who Serve Greatness

# Try Dixie® PerfectTouch® cups on us!

**YES,** I want to try Dixie® PerfectTouch® cups in my operation.

## A grip on the environment

- Polystyrene foam free
- 40% less material by weight, than a multi-wall cup and 25% less material by weight, than a paper cup with sleeve<sup>1</sup>.
- Dixie® PerfectTouch insulated cups are constructed from 80% Renewable Materials<sup>2</sup> and are recyclable<sup>3</sup> and may be composted<sup>4</sup>.
- Meet the Sustainable Forestry Initiative® (SFI®) Certified Sourcing and Chain-of-Custody standards, promoting responsible forestry practices.

Program valid from January 1, 2017 through July 31, 2018. Trial offer requests need to be received within 30 days of program end. Only one trial offer will be issued per customer location.

<sup>1</sup>Based on 8 oz. PerfectTouch vs. International Paper Hold & Go, Solo DuoShield and LBP ThermoGrip.

<sup>2</sup>Contains approximately 80% renewable material. Renewable material may include: cellulose fiber from trees or sugar cane that are regenerated at a faster rate than they are used, starch and/or PLA that come from plants, and other naturally renewable materials.

<sup>3</sup>If you have access to a recycler that accepts paper or plastic products containing food residue. Such facilities may not exist in your area.

<sup>4</sup>May be composted in commercial compost facilities that have final screening capability. Such facilities may not exist in your area. Product contains approximately 80% compostable cellulose fiber by weight.

Send me **100** 12 oz. cups and lids
